Dear Parents:

Your child recently participated in a hands-on water education activity through our website. As a way of showing the community that children are stewards of our environment and are willing to save water, we are asking them to participate in taking the Water Drop Pledge.

The Water Drop Pledge is a simple pledge in which the student pledges to conserve water and to become an environmentally responsible citizen.

Please have your child sign and date the pledge included below, cut it off and mail it in to:

Rowland Water District
Attn: Brittne Van De Car
3021 Fullerton Road, Rowland Heights, CA 91748

Your signature on the Water Drop Pledge below consents to the use of your child's name on our website as a "Star Water Saver."

Upon receipt of the signed "Water Drop Pledge" by both you and the student, your child will receive an official thank you letter and reward. **Please make sure to include the address of which you would like this information to be sent to on the envelope with the pledge.**

Thank you again for playing such an important role in our water education program!

Yours truly,

Brittne L. Van De Car
Public Affairs Representative

Water Drop Pledge

I promise to do my best to conserve our Earth's natural resources. I also promise to help others by telling them about ways to save water and protect our earth and I will do my best to be an environmentally responsible citizen.
